FIGHT LIKE HEROES.

The Moors with All the Fren-, zy of Fanatics

BATTLE LIKE BOABBIL OF OLD.

The Spaniards Forced Back to the Shelter of the Fort

From the Ramparts of Which Reiches Forth the Pire of Beath. Until Finally the Arabs Are Driven Back-Spain Enthusiastic Over the Beavery of Her Soldiers.

MADRID, Oct. 2.—Dispatches re-ceived today from Tangier give details of the desperate battle between the Moora, and Spanish troops near Mellin. The light, as excluding called the Associated ort in desperate untile between the Meers, and Spanish treaps near Meillin. The fight, as excludicely cabled the Associated Press, lasted all day. The Spanisaris were outsimbleed and their ranusmities becoming exhausted they were combelled to retreat. It is new amounteed that the Moore numbered 5000 fighting mee and the Spanisaris only 1680, but the Spanisaris were only compelled to retreat when their anomunities was exhausted. The Moors were armed with princhester repeating rifles of a high class and managed at mee them with considerable effect. The Moors fought with the fury of tellifons famedics, pursuing the Spanish to the teeth of a fierer fire directed upon them from the upper works of the rangers of Meillita. From the rampares of Meillita. From the rampares of continuous lies from rapid-fire guns was pound they for the pressing Moors, but their hisraetten, girded in clouds of dost around the retreating Spanishes and their footness dashed upon the Spanish ranks with all the range and contrage of the most desperate lighting men. The Spanishrish and but a small body of exvalry. The Arah horsemon made frequent efforts to come to a hand-to-hand microminate had but a small beday of exvalry. The Arah horsemon made frequent efforts to come to a hand-to-hand microminates had but next a mall bedy of Spanish troops would gather highling the Every new and their a meal bedy of Spanish troops would gather highling the effects of Spanish troops would gather highling the effects of Spanish troops would gather highling the meaning the which they behaved under these most trying dreumstances has called forth the admiration of the work had forth the sufficient of spanish period comprehended.
